Under the PERS Health Benefits Program, employees may select the eligible health plan of their choice from HMO, PPO, and traditional insurance plans.

SCPPA will pay up to the minimum premium for full family coverage (employee, plus two or more dependents) for which SCPPA employees are eligible. Employees choosing plans with higher premiums will be responsible for paying the difference. After initial plan selection, employees may only change their selection during open enrollment as allowed by PERS.

### **2. Dental Coverage**

Other preventative services will be reimbursed at 100% such as bitewing x-rays once per twelve months, full mouth x-rays once per five years, and fluoride treatments for children under age 18 once per six months.

For other basic dental services such as fillings, extractions, repairs (to inlays, crowns, bridges, partial or full dentures made more than one year after insertion), SCPPA will reimburse at the rate of 80% after a \$25 per person (\$75 maximum per family) deductible.

For major dental services such as crowns and inlays, endodontics (root canal therapy), periodontics (gum treatment), orthodontics, full or partial dentures, SCPPA will reimburse at the rate of 50% after the \$25 per person (\$75 maximum per family) deductible.

The maximum dental services reimbursement benefit per calendar year covered by SCPPA will be \$1,000.00 per family.
