BE IT RESOLVED by the Board of Directors as follows:

1. The Board of Directors hereby provides for an additional contribution to the General Fund. Such additional contribution,

- (a) shall be solely for the purpose of paying costs and expenses incurred by the Authority from time to time with respect to joint planning matters; and pending application for such purpose the contribution shall not be expended to pay costs or expenses properly allocable to one or more projects as provided in Section 3 of Resolution No. 1992-1;
 - (b) shall be in the aggregate amount of \$50,000, with the portion thereof to be contributed by each Member to be the amount set forth with respect to it on Exhibit A to this Resolution; and
 - (c) shall be billed and collected by adding to the Authority's June 1995 Hoover Upgrading Project billing to Anaheim and the Authority's June 1995 Palo Verde Project billing to each other Member, the amount set forth with respect to each of them in Exhibit A to this Resolution, with such amount designated as "Resolution No. 1995-9 Charge".
2. Although the amounts contributed under this Resolution and related income shall constitute part of the General Fund, they shall be held and accounted for in a separate bank account (the "Joint Planning Account"). The Joint Planning Account may be used for the purpose of holding contributions and related income, and making disbursements, under this Resolution. As authorized under Resolution No. 1995-2, the President, Vice President, Secretary, any Assistant Secretary and the Executive Director of the Authority are each authorized to execute checks drawn on the Joint Planning Account from time to time.
 3. Amounts contributed to and held in the General Fund and the Joint Planning Account pursuant to this Resolution will not be contributed or held for the purposes of any project for which the Authority has obtained any form of external financing. Such amounts shall not constitute (a) Revenues, or (b) revenues, income, rents or receipts derived by the Authority from or attributable to Authority Capacity (or to the payment of the costs thereof) or the ownership or operation of any Project. As used herein, "Revenues", "Authority Capacity" and "Project" shall have the respective meanings set forth in the indentures of trust and other instruments governing the external financing arrangements entered into from time to time by the Authority.

4. The President, Vice President, Secretary, any Assistant Secretary, Executive Director and any other officer of the Authority are each hereby authorized to execute and deliver any and all documents and instruments and to do and cause to be done any and all acts and things necessary or proper for carrying out the transactions contemplated by this Resolution.
